

BABY SIGNS®

PARENT WORKSHOP

HOW TO TALK WITH YOUR BABY BEFORE YOUR BABY CAN TALK

We invite you to join the thousands of families who have already discovered the magic of this revolutionary new way to talk with babies before they can talk.

Two decades of research have proven that using the **BABY SIGNS® PROGRAM** –

- ★ Reduces frustration and builds trust
- ★ Allows babies to share their worlds
- ★ Strengthens the parent/infant bond
- ★ Reveals how smart babies are
- ★ Helps babies learn to talk
- ★ Boosts babies' self-confidence
- ★ Promotes positive emotional development
- ★ Jumpstarts intellectual development

This Workshop is specially designed for parents of children from birth to 2 years old and will teach you all you need to know to begin using the Baby Signs® Program at home. Early childhood educators, parent educators, social workers and health specialists are also welcome. Workshop fee is for both parents and parents can choose to receive the Parent Workshop Kit which contains many materials to help make signing fun and easy at home (retail value \$35).

New Price Options: \$30/couple for workshop registration. Or \$55/couple for the workshop with the recommended materials (\$10 discount with materials).

Workshops available at various times
